SUPPLEMENTAL RESPONSE TO OFFICE ACTION DATED 2/23/2007

This communication is filed as a supplement to the full response filed Aug. 23, 2007 to the Office Action dated Feb. 23, 2007. Applicant respectfully submits that the response filed Aug. 23, 2007 was fully responsive in accordance with MPEP § 714.02 and 37 C.F.R. § 1.111. By way of explanation of the need for this supplemental response, Applicant filed the previous response without the advice or assistance of an attorney because his previous counsel had petitioned for removal as attorney of record, and having received permission, withdrew. Recognizing that there are not special rules for *pro se* applicants, Applicant provided substantive responses to all issues. But without the help of an attorney, Applicant's responses suffered from informalities, lack of proper citations and lack of clarity in certain areas. Applicant submits this supplemental response by and through his new attorneys of record and believes that this response places the application in condition for allowance according to 37 C.F.R. § 1.111(2)(C). Applicant therefore respectfully requests examiner to enter the response.
